## Spiritual Letter from Fr. Richard Jakubauskas

As we continue our journey through this Autumn season and winter to come, we are still surrounded by the Corona Virus. We have experienced grief, fear, and death. We have seen immobility because people had to stay at home from work and school, and the streets are empty. Along with this, there has been a coldness around us as we practice social distancing. People wear masks. We miss seeing their whole face and smile. Amongst this treasure is our interaction with our family, friends, and God's presence within us. We do not want to lose the drive within us to do good and to love.

How do we keep that drive alive? National surveys at the beginning of the virus said people were watching TV up to 8 hours a day.

A Seminarian asked Mother Teresa how she prays. Mother Teresa told him she starts her day by begging God to fill her heart with His love so that she could give this love to others. She prayed like this before her regular prayers.

By begging God for His love, you will find the drive to love others more and to do good deeds then happiness and peace will find its way to your heart.

God love you,  
*Fr. Richard Jakubauskas*
